Extra Cover Plan

Protect yourself against costly unexpected repair bills with DB Heating extra cover.

Your boiler is very likely the most costly unit in your central heating system and with normal wear and tear of everyday use it will inevitably require maintenance at some point even if it is serviced regularly.

To take advantage of DB Heating extra cover simply fill out and return the application form making sure you select the level of cover required.

A representative from DB Heating will then contact you to arrange payment and issue you with a plan number

Your policy will only come into force once you have received a plan number.
